October 2018

Electro Optical Components Awards 18 Scholarships

Electro Optical Components is proud to announce the winners of the 7th annual Victor Yen Memorial Technical Scholarship for excellence in academics in the sciences for the 2018 - 19 school year. The 10 winners from Sonoma State University and 9 winners from Santa Rosa Junior College have excelled academically and philanthropically.

Sonoma State University

Student

Danielle Blake
Isaiah Engman
Katherine Flynn
Annika Holm
Jennifer Juarez Yoc
Cody Kojima
Juan Martinez
Delilah Milner
James Normantas
Valeria Suarez Vega

Major

Biochemistry
Biology
Biology
Biochemistry
Biology & Spanish
Physics
Computer Science
Chemistry
Electrical Engineering
Biochemistry

Santa Rosa Junior College

All 9 students from Santa Rosa Junior College are engineering majors:

Aerospace engineer	1
Chemical Engineering	1
Computer Engineering	4
Electrical Engineering	1
Environmental Engineering	1
Mechanical Engineering	1

Good luck to them all.

Victor Yen if he were alive today would be honored by these winners. He too was an excellent student who received a BS degree from the University of Redlands and received a MS in Aeronautical Engineering from California Institute of Technology. He taught Engineering at Tri-State College in Indiana and later worked in industry at Ford Motor Company, OCLI, Optoelectronics and Cal Sensors before founding Electro Optical Components in 1997. He was a pioneer in the Infrared Filter and Detector industry.
