

Adapter for POF (polymer optical fiber)

(Part-Number: 1400000078)

APPLICATIONS

- Adapts patented 2.50 mm FIBERPOINT® connection to a 1.5 mm and 2.2 mm outer diameter polymer optical fiber connection. Consequently you can check both of the popular fiber diameters with one fiber optic fault locator.

Parameter	Specifications
Side of the FIBERPOINT®	2.50 mm SM-ferrule
Side of the fiber	1.5 mm and 2.2 mm
Attenuation	typ. < 1.0 dB
Weight	8.5 g

INCLUDED IN DELIVERY

- Dust cap on both sides
- Plastic foil packaging

NOTES

Compliant with RoHS-requirements (2011/65/EU from 08.06.2011).

The above product specifications are subject to change without notice. Release 05/2016.
